4 January 2018

Dear Parents/Carer

Great News, we have been given the opportunity to attend Rural Pride outdoor learning sessions again this year. Each class will be taken, in our new school minibus, to the forest to learn skills outside the classroom with activities ranging from den building to bush craft skills.

This is a wonderful opportunity for all the pupils and forms part of their learning experience at Newton's Walk. It is also essential that your children understand the need to be safe, respectful and ready to learn in school and when out on school trips; those children who are unable to follow these rules might be prevented from this activity in the future.

If you would like your child to attend these sessions, it is essential that we have your permission before your child will be able to go. Please return the consent form on Monday 8 January.

Class 3 will attend from Monday 8 January for the Spring Term. Please ensure that your child brings a change of clothes, suitable footwear and a coat to school; these should be allowed to get dirty and muddy.

Yours faithfully

Lia Copestake
Head of Primary

I give permission for my child _____ to attend Rural Pride activity sessions and understand the need for them to follow the rules.

Telephone number in case of emergency: _____

Signed: _____ (parent/guardian)
