7 June 2016

Dear Parents and Carers

All schools play an important role in providing education about the risk and effects of drugs. For example smoking, medication, drug litter, alcohol etc.

Our Drugs Education programme will commence this term and will be completed over the next few weeks. As part of our Drugs Education school policy, the 'Breakout team' will be meeting with the Year 6 children on Wednesday 22 June 2016 (12.30 – 1.30pm) and Tuesday 28 June 2016 (10.00a.m – 11.00a.m) to talk about the dangers of illegal drugs.

Also as part of our PSHE programme the children will be taking part in Relationship and Sex Education discussions during this term. The Year 6 children will also have the opportunity to talk to our school nurse Kirstie about Puberty on 13th June 2016.

Should you need any further information or have any questions, please do not hesitate in contacting me.

Yours faithfully

C.Schloss

PSHE Co-ordinator
