

Dear Parent / Carer,

We are about to re-launch our school website. On it you will be able to find important information such as term dates, letters that have been sent home and a host of other information about our school.

As with many other school websites, we are hoping it will also be full of pictures of our children taking part in learning and the host of activities that we provide for them.

I am aware that some parents and carers have already provided permission for photographs of their children to be shown on the website, but because we are re-launching, it seems a good time to ensure we are up-to-date with our permission slips.

Therefore, could you please indicate on the slip below whether or not you are happy for photographs of your child to be posted onto the website (no names will accompany any picture), and return the slip to school as soon as possible.

Thank you for your help in this matter

Mr Neil Brown
